Item 4. Description of Securities.

Not applicable.

Item 5. Interests of Named Experts and Counsel.

Not applicable.

Item 6. Indemnification of Directors and Officers.

We have entered into indemnification agreements with each of our current directors and executive officers. These agreements require us to indemnify these individuals to the fullest extent permitted under Delaware law against liabilities that may arise by reason of their service to us, and to advance expenses incurred as a result of any proceeding against them as to which they could be indemnified. We also intend to enter into indemnification agreements with our future directors and executive officers.

Section 145 of the Delaware General Corporation Law (the “DGCL”) provides that a corporation may indemnify directors and officers as well as other employees and individuals against expenses (including attorneys’ fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with any threatened, pending or completed actions, suits or proceedings in which such person is made a party by reason of such person being or having been a director, officer, employee or agent to the Registrant. The DGCL provides that Section 145 is not exclusive of other rights to which those seeking indemnification may be

entitled under any bylaw, agreement, vote of stockholders or disinterested directors or otherwise. Our amended and restated bylaws provide for indemnification by the Registrant of its directors, officers and employees to the fullest extent permitted by the DGCL.

Section 102(b)(7) of the DGCL permits a corporation to provide in its certificate of incorporation that a director of the corporation shall not be personally liable to the corporation or its stockholders for monetary damages for breach of fiduciary duty as a director, except for liability (1) for any breach of the director's duty of loyalty to the corporation or its stockholders, (2) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (3) for unlawful payments of dividends or unlawful stock repurchases, redemptions or other distributions or (4) for any transaction from which the director derived an improper personal benefit. Our amended and restated certificate of incorporation provides for such limitation of liability.

We maintain standard policies of insurance under which coverage is provided (a) to our directors and officers against loss arising from claims made by reason of breach of duty or other wrongful act and (b) to us with respect to payments we may make to our officers and directors pursuant to the above indemnification provision or otherwise as a matter of law.

Item 9. Undertakings.

(a) The undersigned Registrant hereby undertakes:

1. To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar

value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in this Registration Statement or any material change to such information in this Registration Statement;

Provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in this Registration Statement.

2. That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

3. To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in this Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

SIGNATURES

Pursuant to the requirements of the Securities Act of 1933, the Registrant certifies that it has reasonable grounds to believe that it meets all of the requirements for filing on Form S-8 and has duly caused this Registration Statement to be signed on its behalf by the undersigned, thereunto duly authorized, in the city of Branford, State of Connecticut, on October 8, 2021.

Ladies and Gentlemen:

We have acted as counsel for IsoPlexis Corporation, a Delaware corporation (the “Company”), in connection with the registration statement on Form S-8 (the “Registration Statement”), filed by the Company with the Securities and Exchange Commission (the “Commission”) under the Securities Act of 1933, as amended (the “Securities Act”), relating to the 5,113,324 shares of the Company’s common stock, par value \$0.001 per share, the 3,271,801 shares of the Company’s common stock, par value \$0.001 per share, and the 389,500 shares of the Company’s common stock, par value \$0.001 per share (collectively, the “Shares”), issuable pursuant to the IsoPlexis Corporation 2014 Stock Plan, the IsoPlexis Corporation 2021 Omnibus Incentive Compensation Plan and the IsoPlexis Corporation 2021 Employee Stock Purchase Plan, respectively (collectively, the “Stock Plans”).

In that connection, we have examined originals, or copies certified or otherwise identified to our satisfaction, of such documents, corporate records and other instruments as we have deemed necessary or appropriate for the purposes of this opinion, including, without limitation: (a) the Eighth Amended and Restated Certificate of Incorporation of the Company; (b) the Amended and Restated By-laws of the Company; (c) certain resolutions adopted by the Board of Directors of the Company; and (d) the Stock Plans.

In rendering our opinion, we have assumed the genuineness of all signatures, the legal capacity of all natural persons, the authenticity of all documents submitted to us as originals, the conformity to original documents of all documents submitted to us as certified, conformed or photostatic copies and the authenticity of the originals of such latter documents. As to all questions of fact material to this opinion that have not been independently established, we have relied upon certificates or comparable documents of officers and representatives of the Company.

Based on the foregoing and in reliance thereon, and subject to compliance with applicable state securities laws, we are of opinion that the Shares when, and if, issued pursuant to the terms of the Stock Plans will be validly issued, fully paid and non-assessable.

We are admitted to practice in the State of New York, and we express no opinion as to matters governed by any laws other than the General Corporation Law of the State of Delaware and the Federal laws of the United States of America. The reference and limitation to “General Corporation Law of the State of Delaware” includes the statutory provisions and all applicable provisions of the Delaware Constitution and reported judicial decisions interpreting these laws.

We hereby consent to the filing of this opinion with the Commission as Exhibit 5.1 to the Registration Statement. In giving this consent, we do not thereby admit that we are included in the category of persons whose consent is required under Section 7 of the Securities Act or the rules and regulations of the Commission.

Very truly yours,

2021 OMNIBUS INCENTIVE COMPENSATION PLAN

SECTION 1. Purpose. The purpose of this 2021 Omnibus Incentive Compensation Plan (the “Plan”) is to enable the Company (as defined below) to grant equity compensation awards and other types of incentive compensation. The Plan is intended to replace the Prior Plan (as defined below), which shall be automatically terminated and replaced and superseded by the Plan on the Effective Date (as defined below). Notwithstanding the foregoing, any awards granted under the Prior Plan shall remain in effect pursuant to their terms.

SECTION 2. Definitions. As used herein, the following terms shall have the meanings set forth below:

“Affiliate” means (a) any entity that, directly or indirectly, is controlled by, controls or is under common control with, the Company and (b) any entity in which the Company has a significant equity interest, in either case, as determined by the Committee.

“Applicable Exchange” means The Nasdaq Global Market or any other national stock exchange or quotation system on which the Shares may be listed or quoted.

“Applicable Law” means legal requirements relating to the Plan under U.S. Federal and state corporate law, U.S. Federal and state securities law, the Code, the Applicable Exchange and the applicable laws of any foreign country or jurisdiction where Awards are, or will be, granted.

“Award” means any award that is permitted under Section 6 and granted under the Plan.

“Award Agreement” means any written or electronic agreement, contract or other instrument or document evidencing any Award.

“Board” means the Board of Directors of the Company.

“Change of Control” means the occurrence of any of the following events:

(i) during any period of twenty-four (24) consecutive calendar months, individuals who were Directors on the first day of such period (the “Incumbent Directors”) cease for any reason to constitute a majority of the non-employee members of the Board; provided, however, that any individual becoming a Director subsequent to the first day of such period whose election, or nomination for election, by the Company’s stockholders was approved by a vote of at least a majority of the Incumbent Directors shall be considered as though such individual were an Incumbent Director, but excluding, for purposes of this proviso, any such individual whose initial assumption of office

occurs as a result of, or in connection with, an actual or threatened proxy contest with respect to the election or removal of Directors or other actual or threatened solicitation of proxies or consents by or on behalf of any Person or Persons (whether or not acting in concert) other than the Board;

(ii) the consummation of (A) a merger, consolidation, statutory share exchange or similar form of transaction involving (x) the Company or (y) any of its Subsidiaries, but in the case of this clause (y) only if Company Voting Securities (as defined below) are issued or issuable (a “Reorganization”) or (B) the sale or other similar disposition of all or substantially all the assets of the Company to an entity that is not an Affiliate (a “Sale”), in each case, if such Reorganization or Sale requires the approval of the Company’s stockholders under the law of the Company’s jurisdiction of organization (whether such approval is required for such Reorganization or Sale or for the issuance of securities of the Company in such Reorganization or Sale), unless, immediately following such Reorganization or Sale, (1) all or substantially all the Persons who were the “beneficial owners” (as used in Rule 13d-3 under the Exchange Act (or a successor rule thereto)) of the securities eligible to vote for the election of the Board (“Company Voting Securities”) outstanding immediately prior to the consummation of such Reorganization or Sale continue to beneficially own, directly or indirectly, more than 50% of the combined voting power of the then outstanding voting securities of the corporation or other entity resulting from such Reorganization or Sale (including a corporation or other entity that, as a result of such transaction, owns the Company or all or substantially all the Company’s assets either directly or through one or more subsidiaries) (the “Continuing Company”) in substantially the same proportions as their ownership, immediately prior to the consummation of such Reorganization or Sale, of the outstanding Company Voting Securities (excluding, for such purposes, any outstanding voting securities of the Continuing Company that such beneficial owners hold immediately following the consummation of the Reorganization or Sale as a result of their ownership prior to such consummation of voting securities of any corporation or other entity involved in or forming part of such Reorganization or Sale other than the Company), (2) no Person (excluding any employee benefit plan (or related trust) sponsored or maintained by the Continuing Company or any entity controlled by the Continuing Company) beneficially owns, directly or indirectly, 50% or more of the combined voting power of the then outstanding voting securities of the Continuing Company and (3) at least a majority of the members of the board of directors of the Continuing Company were Incumbent Directors at the time of the execution of the definitive agreement providing for such Reorganization or Sale or, in the absence of such an agreement, at the time at which approval of the Board was obtained for such Reorganization or Sale;

(iii) the stockholders of the Company approve a plan of complete liquidation or dissolution of the Company unless such liquidation or dissolution is part of a transaction or series of transactions described in paragraph (ii) above that does not otherwise constitute a Change of Control; or

(iv) any Person, corporation or other entity (other than (A) the Company or (B) any trustee or other fiduciary holding securities under an employee benefit plan of the Company or an Affiliate) becomes the beneficial owner, directly or indirectly, of securities of the Company representing 50% or more of the combined voting power of the Company Voting Securities; provided, however, that for purposes of this subparagraph (iv), the following acquisitions shall not constitute a Change of Control: any acquisition (w) directly from the Company, (x) by any employee benefit plan (or related trust) sponsored or maintained by the Company or an Affiliate, (y) by an underwriter temporarily holding such Company Voting Securities pursuant to an offering of such securities or any acquisition by a pledgee of Company Voting Securities holding such securities as collateral or temporarily holding such securities upon foreclosure of the underlying obligation or (z) pursuant to a Reorganization or Sale that does not constitute a Change of Control for purposes of subparagraph (ii) above.

“Code” means the Internal Revenue Code of 1986, as amended from time to time, or any successor statute thereto, and the regulations promulgated thereunder.

“Committee” means the Compensation Committee of the Board or a subcommittee thereof, or such other committee of the Board as may be designated by the Board to administer the Plan.

“Company” means IsoPlexis Corporation, a corporation organized under the laws of Delaware, together with any successor thereto.

(b) Authority of the Committee. Subject to the terms of the Plan and Applicable Law, and in addition to the other express powers and authorizations conferred on the Committee by the Plan, the Committee shall have sole and plenary authority to administer the Plan, including the authority to (i) designate Participants, (ii) determine all terms and conditions of Awards, (iii) interpret, administer, reconcile any inconsistency in, correct any default in and supply any omission in, the Plan and any instrument or agreement relating to, or Award made under, the Plan, (iv) establish, amend, suspend or waive such rules and regulations and appoint such agents as it shall deem appropriate for the proper administration of the Plan, (v) accelerate the vesting or exercisability of, payment for or lapse of restrictions on, Awards, and (vi) make any other determination and take any other action that the Committee deems necessary or desirable for the administration of the Plan.

(c) Committee Decisions. Unless otherwise expressly provided in the Plan, all designations, determinations, interpretations and other decisions under or with respect to the Plan or any Award shall be within the sole and plenary discretion of the Committee, may be made at any time and shall be final, conclusive and binding upon all Persons, including the Company, any Affiliate, any Participant, any holder or beneficiary of any Award and any stockholder.

(d) Indemnification. No member of the Board or the Committee, or any employee of the Company (each such person, a “Covered Person”) shall be liable for any action taken or omitted to be taken or any determination made in good faith with respect to the Plan or any Award. Each Covered Person shall be indemnified and held harmless by the Company from and against (i) any loss, cost, liability or expense (including attorneys’ fees) that may be imposed upon or incurred by such Covered Person in connection with or resulting from any action, suit or proceeding to which such Covered Person may be a party or in which such Covered Person may be involved by reason of any action taken or omitted to be taken under the Plan or any Award Agreement and (ii) any and all amounts paid by such Covered Person, with the Company’s approval, in settlement thereof, or paid by such Covered Person in satisfaction of any judgment in any such action, suit or proceeding against such Covered Person; provided that the Company shall have the right, at its own expense, to assume and defend any such action, suit or proceeding, and, once the Company gives notice of its intent to assume the defense, the Company shall have sole control over such defense with counsel of the Company’s choice. The foregoing right of indemnification shall not be available to a Covered Person to the extent that a court of competent jurisdiction in a final judgment or other final adjudication, in either case not subject to further appeal, determines that the acts or omissions of such Covered Person giving

rise to the indemnification claim resulted from such Covered Person's bad faith, fraud or willful criminal act or omission or that such right of indemnification is otherwise prohibited by law or by the Company's Amended and Restated Certificate of Incorporation or Amended and Restated Bylaws, in each case, as may be amended from time to time. The foregoing right of indemnification shall not be exclusive of any other rights of indemnification to which Covered Persons may be entitled under the Company's Amended and Restated Certificate of Incorporation or Amended and Restated Bylaws, as a matter of law, or otherwise, or any other power that the Company may have to indemnify such persons or hold them harmless.

(e) Delegation of Authority to Senior Officers. Subject to the terms of Applicable Law, the Committee may delegate to one or more officers of the Company the authority to make grants of Awards to current and prospective Eligible Persons and all necessary and appropriate decisions and determinations with respect thereto, subject to any conditions or requirements imposed by the Committee on the exercise of such delegated authority.

The Board may, in its sole and plenary discretion, at any time and from time to time, grant Awards to Independent Directors or administer the Plan with respect to such Awards. SECTION 4. Shares Subject to the Plan. (a) Share Limits. (i) Subject to adjustment as provided in Section 4(d), the maximum number of Shares that may be issued pursuant to Awards shall be equal to 3,271,801 (the "Share Limit"); provided that the Share Limit shall be increased on each January 1 that occurs following the Effective Date and prior to the Expiration Date in an amount equal to the lesser of (x) five percent (5)% of the number of outstanding Shares as of the last day of the immediately preceding calendar year and (y) such number of Shares determined by the Committee.

(ii) Subject to adjustment as provided in Section 4(d), the maximum number of Shares that may be delivered upon the exercise of Incentive Stock Options shall be equal to 3,271,801 (the "ISO Limit").

(b) Share Usage. If, after the Effective Date, (A) any Award is forfeited, or otherwise expires, terminates or is canceled without the issuance of all Shares subject thereto, (B) any Award is settled other than wholly by issuance of Shares (including cash settlement) or (C) Shares are surrendered or tendered to the Company in payment of any taxes withheld in respect of an Award, then, in each such case, the number of Shares subject to such Award that were not issued, or were tendered or substituted, with respect to such Award shall not be treated as issued for purposes of reducing the Share Limit.

(c) Independent Director Limit. No Director may be paid or granted, in any fiscal year, cash compensation and equity awards (including any Awards issued under the Plan) with an aggregate value greater than, in the case of, (i) the first fiscal year of such person's service as a Director, \$1,000,000, and (ii) any fiscal year following such first fiscal year, \$750,000 (in each case of clauses (i) and (ii), with the value of each Award (or any other equity award) based on its grant date fair value (determined in accordance with U.S. generally accepted

accounting principles)) (such limits, collectively, the “Director Pay Limit”). Any cash compensation paid or Awards (or any other equity awards) granted to an individual for his or her services as an employee, or for his or her services as a consultant (other than as a Director), will not be subject to the Director Pay Limit. Any such compensation that is deferred will be counted toward the Director Pay Limit for the year in which it was first earned, and not when paid or settled (if later).

(d) Adjustments for Changes in Capitalization and Similar Events. (i) In the event of any extraordinary dividend or other extraordinary distribution (whether in the form of cash, Shares, other securities or other property), recapitalization, rights offering, stock split, reverse stock split, split-up or spin-off, the Committee shall equitably adjust, in the manner the Committee determines appropriate, any or all of (A) the number of Shares or other securities of the Company (or number and kind of other securities or property) with respect to which Awards may be granted, including the Share Limit and the ISO Limit, and (B) the terms of any outstanding Award so as to prevent the enlargement or diminishment of the benefits provided thereunder, including (1) the number of Shares or other securities of the Company (or number and kind of other securities or property) subject to such Award or to which such Award relates, (2) the Exercise Price, if applicable, with respect to such Award and (3) the vesting terms (including performance goals) applicable to such Award.

(ii) Subject to Section 4(d)(i), in the event of any reorganization, merger, consolidation, combination, repurchase or exchange of Shares or other securities of the Company, issuance of warrants or other rights to purchase Shares or other securities of the Company or other similar corporate transaction or event (including any Change of Control) or other unusual, extraordinary or non-recurring event (including a change in Applicable Law or accounting standards) affects the Shares, the Company, its Affiliates or the Company’s financial statements, the Committee may (A) equitably adjust any or all of (1) the number of Shares or other securities of the Company (or number and kind of other securities or property) with respect to which Awards may be granted, including the Share Limit and the ISO Limit, and (2) the terms of any outstanding Award, including (X) the number of Shares or other securities of the Company (or number and kind of other securities or property) subject to such Award or to which such Award relates (including through the assumption of such Award by another entity or substitution of such Award for an award issued by another entity), (Y) the Exercise Price, if applicable, with respect to such Award and (Z) the vesting terms (including performance goals) applicable to such Award, (B) make provision for a cash payment to the holder of an outstanding Award in consideration for the cancelation of such Award, including, in the case of an outstanding Option or SAR, a cash payment to the holder of such Option or SAR in consideration for the cancelation of such Option or SAR in an amount equal to the excess, if any, of the Fair Market Value (as of a date specified by the Committee) of the Shares subject to such Option or SAR over the aggregate Exercise Price of such Option or SAR, (C) cancel and terminate any Option or SAR having a per-Share Exercise Price equal to, or in excess of, the Fair Market Value of a Share subject to such Option or SAR without any payment or consideration therefor or (D) in the case of an outstanding Option or SAR, establishing a date upon which such Award will expire unless exercised prior thereto.

(e) Substitute Awards. Awards may be granted under the Plan in assumption of, or in substitution for, outstanding awards previously granted by the Company or any of its Affiliates or a company acquired by the Company or any of its Affiliates or with which the Company or any of its Affiliates combines (“Substitute Awards”); provided, however, that in no event may any Substitute Award be granted in a manner that would violate the prohibitions on repricing of Options and SARs set forth in Section 7(b). The number of Shares underlying any Substitute Awards shall not be counted against the Share Limit; provided, however, that Substitute Awards issued or intended as Incentive Stock Options shall be counted against the ISO Limit.

(f) Sources of Shares Deliverable Under Awards. Any Shares delivered pursuant to an Award may consist, in whole or in part, of authorized and unissued Shares, treasury Shares or Shares reacquired by the Company in any manner.

SECTION 5. Eligibility. Any Eligible Person shall be eligible to receive an Award.

SECTION 6. Awards. Types of Awards. (a) Awards may be made under the Plan in the form of (i) Options (including Incentive Stock Options), (ii) SARs, (iii) Restricted Shares, (iv) RSUs and DSUs, (v) Cash Incentive Awards or (vi) other equity-based or equity-related Awards that the Committee determines are consistent with the purpose of the Plan and the interests of the Company. The Committee shall determine all terms and conditions of each Award (including any Performance Criteria applicable thereto), which shall be set forth in the applicable Award Agreement.

(b) Options. (i) General. Each Option shall be a Nonqualified Stock Option unless the applicable Award Agreement expressly states that the Option is intended to be an Incentive Stock Option. In the case of Incentive Stock Options, the terms and conditions of such Awards shall be subject to and comply with such rules as may be prescribed by Section 421 and 422 of the Code and any regulations related thereto, as may be amended from time to time. If, for any reason, an Option intended to be an Incentive Stock Option (or any portion thereof) shall not qualify as an Incentive Stock Option, then, to the extent of such nonqualification, such Option (or portion thereof) shall be regarded as a Nonqualified Stock Option appropriately granted under the Plan.

(ii) Exercise Price. The Exercise Price of each Share covered by each Option shall be not less than 100% of the Fair Market Value of such Share (determined as of the date the Option is granted); provided, however, that in the case of each Incentive Stock Option granted to an employee who, at the time of the grant of such Option, owns stock representing more than 10% of the voting power of all classes of stock of the Company or any Affiliate, the per-Share Exercise Price shall be no less than 110% of the Fair Market Value per Share on the date of the grant.

(iii) Vesting and Exercise. Except as otherwise specified in the applicable Award Agreement, each Option may only be exercised to the extent that it has vested at the time of exercise. Each Option shall be deemed to be exercised when notice of such

exercise has been given to the Company in accordance with the terms of the applicable Award Agreement and full payment pursuant to Section 6(b)(iv) for the Shares with respect to which the Option is exercised has been received by the Company.

(iv) Payment. No Shares shall be delivered pursuant to any exercise of an Option until payment in full of the aggregate Exercise Price therefor is received by the Company. Such payments may be made in cash (or its equivalent) or, in the Committee's discretion, through any other method (or combination of methods) approved by the Committee.

(v) Expiration. Except as otherwise set forth in the applicable Award Agreement or required by Applicable Law, each Option shall expire immediately, without any payment, upon the earlier of (A) the tenth anniversary of the date the Option is granted and (B) three months after the date the Participant who is holding the Option ceases to be a director, officer, employee or consultant of the Company or one of its Affiliates.

(c) SARs.

(i) Exercise Price. The Exercise Price of each Share covered by a SAR shall be not less than 100% of the Fair Market Value of such Share (determined as of the date the SAR is granted).

(ii) Rights on Exercise. Except as otherwise specified in the applicable Award Agreement, each SAR may only be exercised to the extent that it has vested at the time of exercise. Each SAR shall entitle the Participant to receive an amount upon exercise equal to the excess, if any, of the Fair Market Value of a Share on the date of exercise of the SAR over the Exercise Price thereof.

(iii) Expiration. Except as otherwise set forth in the applicable Award Agreement or required by Applicable Law, each SAR shall expire immediately, without any payment, upon the earlier of (A) the tenth anniversary of the date the SAR is granted and (B) three months after the date the Participant who is holding the SAR ceases to be a director, officer, employee or consultant of the Company or one of its Affiliates.

(d) Restricted Shares and RSUs/DSUs.

(i) Restricted Shares. Each Restricted Share shall be subject to the transfer restrictions and vesting and forfeiture provisions set forth in the applicable Award Agreement. If certificates representing Restricted Shares are registered in the name of the applicable Participant, such certificates shall bear an appropriate legend referring to the terms, conditions and restrictions applicable to such Restricted Shares, and the Company may, at its discretion, retain physical possession of such certificates until such time as all applicable restrictions lapse.

(ii) RSUs/DSUs. Each RSU and DSU shall be granted with respect to a specified number of Shares (or a number of Shares determined pursuant to a specified formula) or shall have a value equal to the Fair Market Value of a specified number of Shares (or a number of Shares determined pursuant to a specified formula). RSUs and DSUs shall be paid in

cash, Shares, other securities, other Awards or other property, upon the vesting thereof or such other date (or upon such other event) specified in the applicable Award Agreement.

(e) Cash Incentive Awards. The Committee shall determine the applicable Performance Criteria and other payment conditions with respect to each Cash Incentive Award. The Committee may, in its discretion, reduce or increase the amount of any payment otherwise to be made in connection with Cash Incentive Awards.

(f) Other Stock-Based Awards. The Committee shall have authority to grant to Participants other equity-based or equity-related Awards (whether payable in cash, equity or otherwise), including fully vested Shares, in such amounts and subject to such terms and conditions as the Committee shall determine.

SECTION 7. General Award Terms.

(a) Dividends and Dividend Equivalents. Any Award (other than an Option, SAR or Cash Incentive Award) may provide the Participant with dividends or dividend equivalents, payable in cash, Shares, other securities, other Awards or other property, on a current or deferred or vested or unvested basis, including (i) payment directly to the Participant, (ii) withholding of such amounts by the Company subject to vesting of the Award or (iii) reinvestment in additional Shares, Restricted Shares or other Awards.

(b) Repricing. Notwithstanding anything herein to the contrary, in no event may any Option or SAR (i) be amended to decrease the Exercise Price thereof, (ii) be canceled at a time when its Exercise Price exceeds the Fair Market Value of the underlying Shares in exchange for another Award, award under any other equity compensation plan or any cash payment or (iii) be subject to any action that would be treated, for accounting purposes, as a “repricing” of such Option or SAR, unless such amendment, cancellation or action is approved by the Company’s stockholders. For the avoidance of doubt, an adjustment to the Exercise Price of an Option or SAR that is made in accordance with Section 4(d) shall not be considered a reduction in Exercise Price or “repricing” of such Option or SAR.

SECTION 8. Change of Control. With respect to each Award, the applicable Award Agreement shall specify the effect (if any) of a Change of Control upon such Award.

SECTION 9. General Provisions. (a) Nontransferability. During the Participant’s lifetime, each Award (and any rights and obligations thereunder) shall be exercisable only by the Participant, or, if permissible under Applicable Law, by the Participant’s legal guardian or representative, and no Award (or any rights and obligations thereunder) may be assigned, alienated, pledged, attached, sold or otherwise transferred or encumbered by a Participant otherwise than by will or by the laws of descent and distribution, and any such purported assignment, alienation, pledge, attachment, sale, transfer or encumbrance shall be void and unenforceable against the Company or any Affiliate; provided that the designation of a beneficiary shall not constitute an assignment, alienation, pledge, attachment, sale, transfer or encumbrance. All terms and conditions of the Plan and the applicable Award Agreements shall be binding upon any permitted successors and assigns.

(b) No Rights to Awards. No Participant or other Person shall have any claim to be granted any Award, and there is no obligation for uniformity of treatment of Participants or holders or beneficiaries of Awards. The terms and conditions of Awards and the Committee's determinations and interpretations with respect thereto need not be the same with respect to each Participant and may be made selectively among Participants, whether or not such Participants are similarly situated.

(c) Share Certificates. All certificates for Shares or other securities of the Company or any Affiliate delivered under the Plan pursuant to any Award or the exercise thereof shall be subject to such stop transfer orders and other restrictions as the Committee may deem advisable under the Plan, the applicable Award Agreement or the rules, regulations and other requirements of the SEC, the Applicable Exchange and any Applicable Law and the Committee may cause a legend or legends to be put on any such certificates to make appropriate reference to such restrictions. Notwithstanding any other provision of the Plan, unless otherwise determined by the Committee or required by any Applicable Law, the Company shall not deliver to any Participant certificates evidencing Shares issued in connection with any Award and instead such Shares shall be recorded in the books of the Company (or, as applicable, its transfer agent or stock plan administrator).

(d) Withholding. A Participant may be required to pay to the Company or any Affiliate, and the Company or any Affiliate shall have the right and is hereby authorized to withhold from any Award, from any payment due or transfer made under any Award or under the Plan or from any compensation or other amount owing to a Participant, the amount (in cash, Shares, other securities, other Awards or other property) of any applicable withholding taxes in respect of an Award, its exercise or any payment or transfer under an Award or under the Plan and to take such other action as may be necessary in the opinion of the Committee or the Company to satisfy all obligations for the payment of such taxes, except to the extent such withholding would result in penalties under Section 409A of the Code. Without limiting the generality of the foregoing, subject to the Committee's prior approval, a Participant may satisfy, in whole or in part, such withholding liability by having the Company withhold from the number of Shares otherwise issuable pursuant to the Award, a number of Shares having a Fair Market Value equal to such withholding liability.

(e) Section 409A. (i) It is intended that the provisions of the Plan comply with Section 409A of the Code, and all provisions of the Plan shall be construed and interpreted in a manner consistent with the requirements for avoiding taxes or penalties under Section 409A of the Code.

(ii) No Participant or the creditors or beneficiaries of a Participant shall have the right to subject any deferred compensation (within the meaning of Section 409A of the Code) payable under the Plan to any anticipation, alienation, sale, transfer, assignment, pledge, encumbrance, attachment or garnishment. Except as permitted under Section 409A of the Code, any deferred compensation (within the meaning of Section 409A of the Code) payable to any Participant or for the benefit of any Participant under the Plan may not be reduced by, or offset against, any amount owing by any such Participant to the Company or any of its Affiliates.

(iii) If, at the time of a Participant's separation from service (within the meaning of Section 409A of the Code), (A) such Participant shall be a specified employee (within the meaning of Section 409A of the Code and using the identification methodology selected by the Company from time to time) and (B) the Company shall make a good faith determination that an amount payable pursuant to an Award constitutes deferred compensation (within the meaning of Section 409A of the Code) the payment of which is required to be delayed pursuant to the six-month delay rule set forth in Section 409A of the Code in order to avoid taxes or penalties under Section 409A of the Code, then the Company shall not pay such amount on the otherwise scheduled payment date but shall instead pay it on the first business day after such six-month period. Such amount shall be paid without interest, unless otherwise determined by the Committee, in its sole discretion, or as otherwise provided in any applicable employment agreement between the Company and the relevant Participant. For purposes of Section 409A, any right to a series of installment payments under any Award shall be treated as a right to a series of separate payments.

(iv) Notwithstanding any provision of the Plan to the contrary, in light of the uncertainty with respect to the proper application of Section 409A of the Code, the Company reserves the right to make amendments to any Award as the Company deems necessary or desirable to avoid the imposition of taxes or penalties under Section 409A of the Code. In any case, a Participant shall be solely responsible and liable for the satisfaction of all taxes and penalties that may be imposed on such Participant or for such Participant's account in connection with an Award (including any taxes and penalties under Section 409A of the Code), and neither the Company nor any of its Affiliates shall have any obligation to indemnify or otherwise hold such Participant harmless from any or all of such taxes or penalties.

(f) Award Agreements. Each Award hereunder shall be evidenced by an Award Agreement, which shall be delivered to the Participant and shall specify the terms and conditions of the Award and any rules applicable thereto.

(g) No Limit on Other Compensation Arrangements. Nothing contained in the Plan shall prevent the Company or any Affiliate from adopting or continuing in effect other compensation arrangements (including other equity-based awards and cash incentive awards), and such arrangements may be either generally applicable or applicable only in specific cases.

(h) No Right to Employment. The grant of an Award shall not be construed as giving a Participant the right to be retained as a director, officer, employee or consultant of or to the Company or any Affiliate, nor shall it be construed as giving a Participant any rights to continued service on the Board. Further, the Company or an Affiliate may at any time dismiss a Participant from employment or discontinue any directorship or consulting relationship, free from any liability or any claim under the Plan, unless otherwise expressly provided in the Plan or in any Award Agreement.

(i) No Rights as Stockholder. No Participant or holder or beneficiary of any Award shall have any rights as a stockholder with respect to any Shares to be distributed under the Plan until he or she has become the holder of such Shares. In connection with each grant of Restricted Shares, except as provided in the applicable Award Agreement, the Participant shall

be entitled to the rights of a stockholder (including the right to vote) in respect of such Restricted Shares. Except as otherwise provided in Section 4(d) or the applicable Award Agreement, no adjustments shall be made for dividends or distributions on (whether ordinary or extraordinary, and whether in cash, Shares, other securities or other property), or other events relating to, Shares subject to an Award for which the record date is prior to the date such Shares are delivered.

(j) Governing Law. The validity, construction and effect of the Plan and any rules and regulations relating to the Plan and any Award Agreement shall be determined in accordance with the laws of the State of Delaware, without giving effect to the conflict of laws provisions thereof.

(k) Severability. If any provision of the Plan or any Award is or becomes or is deemed to be invalid, illegal or unenforceable in any jurisdiction or as to any Person or Award, or would disqualify the Plan or any Award under any law deemed applicable by the Committee, such provision shall be construed or deemed amended to conform to the Applicable Laws, or if it cannot be construed or deemed amended without, in the determination of the Committee, materially altering the intent of the Plan or the Award, such provision shall be construed or deemed stricken as to such jurisdiction, Person or Award and the remainder of the Plan and any such Award shall remain in full force and effect.

(l) Other Laws; Restrictions on Transfer of Shares. The Committee may refuse to issue or transfer any Shares or other consideration under an Award if it determines that the issuance or transfer of such Shares or such other consideration might violate any Applicable Law or entitle the Company to recover the same under Section 16(b) of the Exchange Act, and any payment tendered to the Company by a Participant, other holder or beneficiary in connection with the exercise of such Award shall be promptly refunded to the relevant Participant, holder or beneficiary.

(m) No Trust or Fund Created. Neither the Plan nor any Award shall create or be construed to create a trust or separate fund of any kind or a fiduciary relationship between the Company or any Affiliate, on one hand, and a Participant or any other Person, on the other. To the extent that any Person acquires a right to receive payments from the Company or any Affiliate pursuant to an Award, such right shall be no greater than the right of any unsecured general creditor of the Company or such Affiliate.

(n) No Fractional Shares. No fractional Shares shall be issued or delivered pursuant to the Plan or any Award, and the Committee shall determine whether cash, other securities or other property shall be paid or transferred in lieu of any fractional Shares or whether such fractional Shares or any rights thereto shall be canceled, terminated or otherwise eliminated.

(o) Headings and Construction. Headings are given to the Sections and subsections of the Plan solely as a convenience to facilitate reference. Such headings shall not be deemed in any way material or relevant to the construction or interpretation of the Plan or any provision thereof. Whenever the words “include”, “includes” or “including” are used in the Plan, they shall be deemed to be followed by the words “but not limited to”, and the word “or” shall not be deemed to be exclusive.

SECTION 10. Amendment and Termination. (a) Amendments to the Plan. Subject to any Applicable Law, the Plan may be amended, modified or terminated by the Board without the approval of the stockholders of the Company, except that stockholder approval shall be required for any amendment that would (i) increase the Plan Share Limit, the Plan ISO Limit or the Director Pay Limit (except for increases pursuant to an adjustment under Section 4(d)), (ii) expand the class of employees or other individuals eligible to participate in the Plan, (iii) extend the Expiration Date or (iv) result in any amendment, cancellation or action described in Section 7(b) being permitted without the approval of the Company's stockholders. No amendment, modification or termination of the Plan may, without the consent of the Participant to whom any Award shall previously have been granted, materially and adversely affect the rights of such Participant (or his or her transferee) under such Award, unless otherwise provided in the applicable Award Agreement.

(b) Amendments to Awards. The Committee may waive any conditions or rights under, amend any terms of, or alter, suspend, discontinue, cancel or terminate any Award previously granted, prospectively or retroactively; provided, however, that, except as set forth in the Plan, unless otherwise provided in the applicable Award Agreement, any such waiver, amendment, alteration, suspension, discontinuance, cancellation or termination that would materially and adversely impair the rights of any Participant or any holder or beneficiary of any Award previously granted shall not to that extent be effective without the consent of the applicable Participant, holder or beneficiary.

SECTION 11. Term of the Plan. The Plan shall be effective as of the date of its adoption by the Board and approval by the Company's stockholders (the "Effective Date"). No Award shall be granted under the Plan after the tenth anniversary of the Effective Date (the "Expiration Date"). Unless otherwise expressly provided in the Plan or in an applicable Award Agreement, any Award granted hereunder, and the authority of the Board or the Committee to amend, alter, adjust, suspend, discontinue or terminate any such Award or to waive any conditions or rights under any such Award, shall nevertheless continue thereafter.

ISOPLEXIS CORPORATION
2021 EMPLOYEE STOCK PURCHASE PLAN

Approved by the Board of Directors on August 16, 2021

Approved by Stockholders on September 27, 2021

Effective on October 7, 2021

1. Purpose. The Plan consists of two components: a component that is intended to qualify as an “employee stock purchase plan” under Section 423 of the Code (the “423 Component”) and a component that is not intended to qualify as an “employee stock purchase plan” under Section 423 of the Code (the “Non-423 Component”). The provisions of the 423 Component will be construed in a manner consistent with Section 423 of the Code. The Non-423 Component will be subject to rules, procedures or sub-plans adopted by the Administrator that are designed to achieve tax, securities law or other objectives for the Company and Eligible Employees. Except as otherwise provided herein or as determined by the Administrator, the Non-423 Component will operate and be administered in the same manner as the 423 Component.

2. Definitions. As used herein, the following definitions will apply:

(a) “Administrator” means the Board or any Committee designated by the Board to administer the Plan pursuant to Section 14 hereof.

(b) “Affiliate” means (i) any entity that, directly or indirectly, is controlled by, controls or is under common control with, the Company and (ii) any entity in which the Company has a significant equity interest, in either case, as determined by the Administrator.

(c) “Applicable Exchange” means The Nasdaq Global Market or any other national stock exchange or quotation system on which the shares of Common Stock may be listed or quoted.

(d) “Applicable Laws” means legal requirements relating to the Plan under U.S. federal and state corporate law, U.S. federal and state securities law, the Code, the Applicable Exchange and the applicable securities, exchange control, tax and other laws of any non-U.S. country or jurisdiction where options are, or will be, granted under the Plan.

(e) “Board” means the Board of Directors of the Company.

(f) “Change of Control” means the occurrence of any of the following events:

(i) during any period of twenty-four (24) consecutive calendar months, individuals who were Directors on the first day of such period (the “Incumbent Directors”) cease for any reason to constitute a majority of the non-employee members of the Board; provided, however, that any individual becoming a Director subsequent to the first day of such period whose election, or nomination for election, by the Company’s

stockholders was approved by a vote of at least a majority of the Incumbent Directors shall be considered as though such individual were an Incumbent Director, but excluding, for purposes of this proviso, any such individual whose initial assumption of office occurs as a result of, or in connection with, an actual or threatened proxy contest with respect to the election or removal of Directors or other actual or threatened solicitation of proxies or consents by or on behalf of any Person or Persons (whether or not acting in concert) other than the Board;

(ii) the consummation of (A) a merger, consolidation, statutory share exchange or similar form of transaction involving (x) the Company or (y) any of its Subsidiaries, but in the case of this clause (y) only if Company Voting Securities (as defined below) are issued or issuable (a “Reorganization”) or (B) the sale or other similar disposition of all or substantially all the assets of the Company to an entity that is not an Affiliate (a “Sale”), in each case, if such Reorganization or Sale requires the approval of the Company’s stockholders under the law of the Company’s jurisdiction of organization (whether such approval is required for such Reorganization or Sale or for the issuance of securities of the Company in such Reorganization or Sale), unless, immediately following such Reorganization or Sale, (1) all or substantially all the Persons who were the “beneficial owners” (as used in Rule 13d-3 under the Exchange Act (or a successor rule thereto)) of the securities eligible to vote for the election of the Board (“Company Voting Securities”) outstanding immediately prior to the consummation of such Reorganization or Sale continue to beneficially own, directly or indirectly, more than 50% of the combined voting power of the then outstanding voting securities of the corporation or other entity resulting from such Reorganization or Sale (including a corporation or other entity that, as a result of such transaction, owns the Company or all or substantially all the Company’s assets either directly or through one or more subsidiaries) (the “Continuing Company”) in substantially the same proportions as their ownership, immediately prior to the consummation of such Reorganization or Sale, of the outstanding Company Voting Securities (excluding, for such purposes, any outstanding voting securities of the Continuing Company that such beneficial owners hold immediately following the consummation of the Reorganization or Sale as a result of their ownership prior to such consummation of voting securities of any corporation or other entity involved in or forming part of such Reorganization or Sale other than the Company), (2) no Person (excluding any employee benefit plan (or related trust) sponsored or maintained by the Continuing Company or any entity controlled by the Continuing Company) beneficially owns, directly or indirectly, 50% or more of the combined voting power of the then outstanding voting securities of the Continuing Company and (3) at least a majority of the members of the board of directors of the Continuing Company were Incumbent Directors at the time of the execution of the definitive agreement providing for such Reorganization or Sale or, in the absence of such an agreement, at the time at which approval of the Board was obtained for such Reorganization or Sale;

(iii) the stockholders of the Company approve a plan of complete liquidation or dissolution of the Company unless such liquidation or dissolution is part of a

transaction or series of transactions described in paragraph (ii) above that does not otherwise constitute a Change of Control; or

(iv) any Person, corporation or other entity (other than (A) the Company or (B) any trustee or other fiduciary holding securities under an employee benefit plan of the Company or an Affiliate) becomes the beneficial owner, directly or indirectly, of securities of the Company representing 50% or more of the combined voting power of the Company Voting Securities; provided, however, that for purposes of this subparagraph (iv), the following acquisitions shall not constitute a Change of Control: any acquisition (w) directly from the Company, (x) by any employee benefit plan (or related trust) sponsored or maintained by the Company or an Affiliate, (y) by an underwriter temporarily holding such Company Voting Securities pursuant to an offering of such securities or any acquisition by a pledgee of Company Voting Securities holding such securities as collateral or temporarily holding such securities upon foreclosure of the underlying obligation or (z) pursuant to a Reorganization or Sale that does not constitute a Change of Control for purposes of subparagraph (ii) above.

(g) “Code” means the Internal Revenue Code of 1986, as amended from time to time, or any successor statute thereto, and the regulations promulgated thereunder.

(h) “Committee” means a committee of the Board appointed in accordance with Section 14 hereof.

(i) “Common Stock” means the Company’s common stock, par value \$0.001 per share.

(j) “Company” means IsoPlexis Corporation, a corporation organized under the laws of Delaware, together with any successor thereto.

(k) “Compensation” means the regular earnings or base salary, annual bonuses, and commissions (including any commission bonus) paid to the Eligible Employee by the Company or a Designated Company, as applicable, as compensation for services to the Company or a Designated Company, as applicable, before deduction for any salary deferral contributions made by the Eligible Employee to any tax-qualified or nonqualified deferred compensation plan, including overtime, shift differentials, salaried production schedule premiums, holiday pay, vacation pay, paid time off (PTO) (including any PTO payouts), sick pay, jury duty pay, funeral leave pay, other employer-paid leave pay (including parental leave pay, bereavement leave pay, and bone marrow and organ donor leave pay), volunteer time off and military pay, but excluding (i) education or tuition reimbursements, (ii) imputed income arising under any group insurance or benefit program, (iii) travel expenses, (iv) business and moving reimbursements, including tax gross ups and taxable mileage allowance, (v) income received in connection with any stock options, restricted stock, restricted stock units or other compensatory equity awards, (vi) all contributions made by the Company or any Designated Company for the Eligible Employee’s benefit under any employee benefit plan now or hereafter established (such as employer-paid 401(k) plan contributions), (vii) all stipends (such as health

and wellness stipend, internet stipend, and home office setup stipend), (viii) all payments by the state or other regulatory agencies, (ix) severance pay, and (x) all other cash bonuses not mentioned above (such as referral bonuses, peer bonuses, and sign-on bonuses). Compensation will be calculated before deduction of any income or employment tax withholdings. Compensation will include the net impact of any current-period payments/deductions to correct for prior-period payroll errors (unless the Administrator, in its sole discretion, elects to give such corrections retroactive effect for purposes of this Plan). The Administrator, in its discretion, may establish a different definition of Compensation for an Offering, which for the Section 423 Component will apply on a uniform and nondiscriminatory basis. Further, the Administrator will have discretion to determine the application of this definition to Eligible Employees outside the United States

(l) “Contributions” means the payroll deductions and other additional payments that the Company may permit a Participant to make to fund the exercise of options granted pursuant to the Plan.

(m) “Designated Company” means each Affiliate, other than any Affiliate designated by the Administrator from time to time in its sole discretion as not eligible to participate in the Plan. For purposes of the 423 Component, only the Company, its Subsidiaries, and any Parent of the Company may be Designated Companies. The Administrator may assign each Designated Company to participate in the 423 Component or the Non-423 Component but not both. An Affiliate that is disregarded for U.S. federal income tax purposes in respect of a Designated Company participating in the 423 Component will automatically be a Designated Company participating in the 423 Component. An Affiliate that is disregarded for U.S. federal income tax purposes in respect of a Designated Company participating in the Non-423 Component may be excluded from participating in the Plan by the Administrator or may be assigned by the Administrator to an Offering within the Non-423 Component that is separate from the Offering to which the Administrator assigns the Designated Company with respect to which it is disregarded.

(n) “Director” means any non-employee member of the Board, but solely in his or her capacity as such a member of the Board.

(o) “Eligible Employee” means any individual who is an employee providing services to the Company or a Designated Company. For purposes of the Plan, the employment relationship will be treated as continuing intact while the individual is on military leave, sick leave or other leave of absence that the Employer approves or is otherwise legally protected under Applicable Laws. Where the period of leave exceeds three months and the individual’s right to reemployment is not guaranteed either by Applicable Laws or by contract, the employment relationship will be deemed to have terminated three months and one day following the commencement of such leave or such other period specified under the Treasury Regulations. The Administrator may, in its discretion, from time to time prior to an Offering Start Date for all options to be granted on such Offering Start Date relating to an Offering, determine (on a uniform and nondiscriminatory basis or as otherwise permitted by Section 1.423-2 of the

Treasury Regulations) that the definition of Eligible Employee will or will not include an individual if he or she (i) has not completed at least two years of service since his or her last hire date (or such lesser period of time as may be determined by the Administrator in its discretion), (ii) customarily works not more than 20 hours per week (or such lesser period of time as may be determined by the Administrator in its discretion), (iii) customarily works not more than five months per calendar year (or such lesser period of time as may be determined by the Administrator in its discretion) or (iv) is a highly compensated employee within the meaning of Section 414(q) of the Code; provided, however, that the exclusion is applied with respect to each Offering in an identical manner to all highly compensated individuals of the Employer whose Eligible Employees are participating in that Offering. Each exclusion will be applied with respect to an Offering in a manner complying with Section 1.423-2(e) of the Treasury Regulations. Notwithstanding the foregoing, (1) for purposes of any Offering under the 423 Component, the Administrator may determine that the definition of Eligible Employee will not include employees who are citizens or residents of a foreign jurisdiction (without regard to whether they are also citizens of the United States or resident aliens) if (A) the grant of an option under the Plan or such Offering to a citizen or resident of the foreign jurisdiction is prohibited under the laws of such jurisdiction or (B) compliance with the laws of the foreign jurisdiction would cause the Plan or such Offering to violate the requirements of Section 423; and (2) for purposes of any Offering under the Non-423 Component, the Administrator may alter the definition of Eligible Employee in its discretion, provided that anyone included in the definition must be a Person to whom the issuance of stock may be registered on Form S-8 under the U.S. Securities Act of 1933, as amended.

(p) “Employer” means the employer of the applicable Eligible Employee(s).

(q) “Exchange Act” means the Securities Exchange Act of 1934, as amended from time to time, or any successor statute thereto, and the regulations promulgated thereunder.

(r) “Fair Market Value” means, as of any relevant date, the value of a share of Common Stock determined as follows: (i) the closing per-share sales price of the Common Stock as reported by the Applicable Exchange for such stock exchange for such date or if there were no sales on such date, on the closest preceding date on which there were sales of Common Stock or (ii) in the event there shall be no public market for the Common Stock on such date, the fair market value of the Common Stock as determined in good faith by the Committee.

(s) “New Purchase Date” means a new Purchase Date if the Administrator shortens any Offering Period then in progress.

(t) “Offering” means an offer under the Plan of an option that may be exercised during an Offering Period as further described in Section 5 hereof. For purposes of the Plan, the Administrator may designate separate Offerings under the Plan (the terms of which need not be identical) in which Eligible Employees of one or more Employers will participate, even if the dates of the applicable Offering Periods of each such Offering are identical and the provisions of the Plan will separately apply to each Offering. To the extent permitted by Section 1.423-2(a)(1) of the Treasury Regulations, the terms of each Offering need not be

identical; provided, however, that the terms of the Plan and an Offering together satisfy Sections 1.423-2(a)(2) and (a)(3) of the Treasury Regulations.

(u) “Offering Periods” means each period during which an option granted pursuant to the Plan is outstanding. The duration and timing of Offering Periods may be changed pursuant to Sections 5 and 20 hereof.

(v) “Offering Start Date” means the first day of an Offering Period.

(w) “Parent” means a “parent corporation”, whether now or hereafter existing, as defined in Section 424(e) of the Code.

(x) “Participant” means an Eligible Employee who participates in the Plan.

(y) “Person” means a “person” or “group” within the meaning of Sections 3(a)(9), 13(d) and 14(d) of the Exchange Act.

(z) “Plan” means this IsoPlexis Corporation 2021 Employee Stock Purchase Plan, as may be amended from time to time.

(aa) “Purchase Date” means the last Trading Day of the Purchase Period. Notwithstanding the foregoing, in the event that an Offering Period is terminated prior to its expiration pursuant to Section 20(a) hereof, the Administrator, in its sole discretion, may determine that any Purchase Period also terminating under such Offering Period will terminate without options being exercised on the Purchase Date that otherwise would have occurred on the last Trading Day of such Purchase Period.

(bb) “Purchase Period” means the periods during an Offering Period during which shares of Common Stock may be purchased on a Participant’s behalf in accordance with the terms of the Plan.

(cc) “Purchase Price” means, with respect to an Offering Period, an amount equal to 85% of the Fair Market Value on the Offering Start Date or on the Purchase Date, whichever is lower; provided, however, that a higher Purchase Price may be determined for any Offering Period by the Administrator subject to compliance with Section 423 of the Code (or any successor rule or provision) or any other Applicable Laws or pursuant to Section 20 hereof.

(dd) “Section 409A” means Section 409A of the Code, as amended, including the rules and regulations promulgated thereunder, or any state law equivalent.

(ee) “Subsidiary” means a “subsidiary corporation”, whether now or hereafter existing, as defined in Section 424(f) of the Code.

(ff) “Trading Day” means a day on which the Applicable Exchange is open for trading.

(gg) “Treasury Regulations” means all proposed, temporary and final regulations promulgated under the Code, as such regulations may be amended from time to time (including corresponding provisions of succeeding regulations).

3. Share Limitations; Certain Provisions Relating to Common Stock. (a) Subject to adjustment upon changes in capitalization of the Company as provided in Section 19 hereof, the maximum number of shares of Common Stock that will be made available for sale under the Plan shall be (i) 389,500 shares of Common Stock plus (ii) an annual amount on each January 1 that occurs following the Effective Date and prior to the tenth anniversary of the Effective Date equal to the lesser of (x) one percent (1)% of the number of outstanding shares of Common Stock as of the last day of the immediately preceding calendar year and (y) such number of shares of Common Stock determined by the Administrator; provided, however, that in no event shall more than 2,400,000 shares of Common Stock be issued under the Plan.

(b) If any option granted under the Plan terminates without having been exercised in full, the shares of Common Stock not purchased under such option will remain available for issuance under the Plan.

(c) Until shares of Common Stock are issued under the Plan (as evidenced by the appropriate entry on the books of the Company or of a duly authorized transfer agent of the Company), a Participant will have only the rights of an unsecured creditor with respect to such shares of Common Stock, and no right to vote or receive dividends or any other rights as a stockholder will exist with respect to such shares of Common Stock.

4. Eligibility. (a) Generally. Any Eligible Employee on a given Offering Start Date for an Offering Period will be eligible to participate in the Plan during such Offering Period, subject to the requirements of Section 6 hereof.

(b) Limitations. Notwithstanding any provisions of the Plan to the contrary, no Eligible Employee will be granted an option under the 423 Component of the Plan (i) to the extent that, immediately after the grant, such Eligible Employee (or any other person whose stock would be attributed to such Eligible Employee pursuant to Section 424(d) of the Code) would own capital stock of the Company or any Affiliate and/or hold outstanding options to purchase such stock possessing 5% or more of the total combined voting power or value of all classes of the capital stock of the Company or any Affiliate or (ii) to the extent that his or her rights to purchase stock under all employee stock purchase plans (as defined in Section 423 of the Code) of the Company or any Affiliate accrues at a rate that exceeds \$25,000 worth of stock (determined at the Fair Market Value of the stock at the time such option is granted) for each calendar year in which such option is outstanding at any time, as determined in accordance with Section 423 of the Code and the Treasury Regulations thereunder.

(c) Equal Rights and Privileges. Notwithstanding any provisions of the Plan to the contrary, each Eligible Employee granted an option under the 423 Component of the Plan shall have the same rights and privileges with respect to such option to the extent required under Section 423(b)(5) of the Code and Section 1.423-2(f) of the Treasury Regulations.

5. Offering Periods. (a) The Plan will be implemented by one or more Offering Periods. Offerings may be consecutive or overlapping as determined by the Administrator. The duration and timing of Offering Periods may be changed pursuant to this Section 5 and Section 20 hereof. The Administrator will have the power to establish the duration of the first Offering Period and change the duration of Offering Periods (including the commencement dates thereof) with respect to future Offerings. No Offering Period may be more than 27 months in duration.

(b) Prior to the Offering Start Date of an Offering Period, the Administrator will establish the maximum number of shares of Common Stock that an Eligible Employee will be permitted to purchase during each Purchase Period during such Offering Period.

6. Participation. An Eligible Employee may participate in the Plan pursuant to Section 4 hereof by (a) submitting to the Company's stock administration office (or its designee) a properly completed subscription agreement authorizing Contributions in the form provided by the Administrator for such purpose or (b) following an electronic or other enrollment procedure determined by the Administrator, in either case on or before a date determined by the Administrator prior to (i) the applicable Offering Start Date as determined by the Administrator, in its sole discretion, or (ii) with respect to the first Offering Period, no later than 30 days following the Offering Start Date.

7. Contributions. (a) At the time a Participant enrolls in the Plan pursuant to Section 6 hereof, he or she will elect to have Contributions (in the form of payroll deductions or otherwise, to the extent permitted by the Administrator) made on each eligible pay day during the Offering Period equal to a whole percentage (and subject to any limit as may be set by the Administrator from time to time) of the Compensation that he or she receives on the pay day. The Administrator, in its sole discretion, may permit all Participants in a specified Offering to contribute amounts to the Plan through payment by cash, check or other means set forth in the subscription agreement or otherwise made available by the Administrator prior to each Purchase Date of each Purchase Period. A Participant's subscription agreement will remain in effect for successive Offering Periods unless terminated as provided in Section 11 hereof.

(b) In the event Contributions are made in the form of payroll deductions, such payroll deductions for a Participant will commence on the first eligible pay day following the Offering Start Date and will end on the last eligible pay day on or prior to the last Purchase Date of such Offering Period to which such authorization is applicable, unless sooner terminated by the Participant as provided in Section 11 hereof; provided, however, that for the first Offering Period, payroll deductions will not commence until such date determined by the Administrator, in its sole discretion. Notwithstanding the foregoing, for administrative convenience, the Administrator (by announcement prior to the first affected Offering Period) may determine that contributions with respect to an eligible pay day occurring on a Purchase Date (or during a period of up to five business days prior to a Purchase Date) shall be applied instead to the subsequent Purchase Period or Offering Period.

(c) All Contributions made for a Participant will be credited to his or her account under the Plan and Contributions will be made in whole percentages of his or her Compensation only. A Participant may not make any additional payments into such account.

(d) A Participant may discontinue his or her participation in the Plan as provided under Section 11 hereof. Unless otherwise determined by the Administrator, during a Purchase Period, a Participant may not increase or decrease the rate of his or her Contributions. The Administrator may, in its sole discretion, provide for, or amend the nature and/or number of, Contribution rate changes that may be made by Participants during any Offering Period or Purchase Period and may establish other conditions, limitations or procedures as it deems appropriate for Plan administration.

(e) Notwithstanding the foregoing, to the extent necessary to comply with Section 423(b)(8) of the Code and Section 4(c) hereof, a Participant's Contributions may be decreased by the Administrator to 0% at any time during a Purchase Period. Subject to Section 423(b)(8) of the Code and Section 4(c) hereof, Contributions will recommence at the rate originally elected by the Participant effective as of the beginning of the first Purchase Period scheduled to end in the following calendar year, unless terminated by the Participant as provided in Section 11 hereof.

(f) Notwithstanding any provisions to the contrary in the Plan, the Administrator may allow Participants to participate in the Plan via cash contributions instead of payroll deductions if (i) payroll deductions are not permitted (or the remittance of payroll deductions by a Designated Company to the Company is not feasible) under Applicable Laws, (ii) the Administrator determines that cash contributions are permissible under Section 423 of the Code or (iii) the Participants are participating in the Non-423 Component.

(g) At the time the option is exercised, in whole or in part, or at the time some or all of the Common Stock issued under the Plan is disposed of (or any other time that a taxable event related to the Plan occurs), the Participant must make adequate provision for the Company's or Employer's federal, state, local or any other tax liability payable to any authority including taxes imposed by jurisdictions outside of the U.S., national insurance, social security or other tax withholding or payment on account obligations, if any, which arise upon the exercise of the option or the disposition of the Common Stock (or any other time that a taxable event related to the Plan occurs). At any time, the Company or the Employer may, but will not be obligated to, withhold from the Participant's compensation the amount necessary for the Company or the Employer to satisfy applicable withholding obligations, including any withholding required to make available to the Company or the Employer any tax deductions or benefits attributable to sale or early disposition of Common Stock by the Eligible Employee. In addition, the Company or the Employer may, but will not be obligated to, withhold from the proceeds of the sale of Common Stock or utilize any other method of withholding the Company deems appropriate (such as requiring a market sale of shares received under the Plan).

8. Grant of Option. On the Offering Start Date of each Offering Period, each Eligible Employee participating in such Offering Period will be granted an option to purchase on

each Purchase Date during such Offering Period (at the applicable Purchase Price) up to a number of shares of Common Stock determined by dividing such Eligible Employee's Contributions accumulated prior to such Purchase Date and retained in the Eligible Employee's account as of the Purchase Date by the applicable Purchase Price; provided, however, that such purchase will be subject to the limitations set forth in Sections 3, 4(c) and 5(b) hereof. The Eligible Employee may accept the grant of such option by electing to participate in the Plan in accordance with the requirements of Section 6 hereof. Exercise of the option will occur as provided in Section 9 hereof, unless the Participant has withdrawn pursuant to Section 11 hereof. The option will expire on the last day of the Offering Period.

9. Exercise of Option. (a) Unless a Participant withdraws from the Plan as provided in Section 11 hereof, his or her option for the purchase of shares of Common Stock will be exercised automatically on each Purchase Date, and the maximum number of full shares subject to the option will be purchased for such Participant at the applicable Purchase Price with the accumulated Contributions from his or her account. No fractional shares of Common Stock will be purchased, unless otherwise determined by the Administrator. Any Contributions accumulated in a Participant's account at the end of an Offering Period, which are not sufficient to purchase a full share will either, as the Administrator shall determine, (i) be refunded to the Participant promptly following the end of such Offering Period, or (ii) be retained in the Participant's account for the subsequent Purchase Period or Offering Period, subject to earlier withdrawal by the Participant as provided in Section 11 hereof. During a Participant's lifetime, a Participant's option to purchase shares hereunder is exercisable only by him or her.

(b) If the Administrator determines that, on a given Purchase Date, the number of shares of Common Stock with respect to which options are to be exercised may exceed the number of shares of Common Stock that were available for sale under the Plan on such Purchase Date, the Administrator may, in its sole discretion, provide that the Company will make a pro rata allocation of the shares of Common Stock available for purchase on such Purchase Date in as uniform a manner as will be practicable and as it will determine in its sole discretion to be equitable among all Participants exercising options to purchase Common Stock on such Purchase Date, and either (x) continue all Offering Periods then in effect or (y) terminate any or all Offering Periods then in effect pursuant to Section 20 hereof.

10. Delivery. As soon as reasonably practicable after each Purchase Date on which a purchase of shares of Common Stock occurs, the Company will arrange the delivery to each Participant (or, if required by Applicable Laws, to the Participant and his or her spouse) of the shares purchased upon exercise of his or her option in a form determined by the Administrator (in its sole discretion) and pursuant to rules established by the Administrator. The Company may permit or require that shares be deposited directly with a broker designated by the Company or to a designated agent of the Company, and the Company may utilize electronic or automated methods of share transfer. The Company may require that shares be retained with such broker or agent for a designated period of time and/or may establish other procedures to permit tracking of disqualifying or other dispositions of such shares. No Participant will have any voting, dividend, or other stockholder rights with respect to shares of Common Stock subject to any option granted

under the Plan until such shares have been purchased and delivered to the Participant as provided in this Section 10.

11. Withdrawal. (a) A Participant may withdraw all but not less than all the Contributions credited to his or her account and not yet used to exercise his or her option under the Plan at any time by (i) submitting to the Company's stock administration office (or its designee) a written notice of withdrawal in the form determined by the Administrator for such purpose or (ii) following an electronic or other withdrawal procedure determined by the Administrator. Notwithstanding the foregoing, the Administrator may establish a reasonable deadline (such as two weeks prior to the Purchase Date) by which time withdrawals must be submitted in order for the Participant to avoid automatic exercise of his or her option on the Purchase Date (unless the Administrator in its sole discretion elects to process the withdrawal more quickly or as may be required by Applicable Laws). All of the Participant's Contributions credited to his or her account and not applied to the purchase of shares of Common Stock will be paid to such Participant promptly after receipt of notice of withdrawal and such Participant's option for the Offering Period will be automatically terminated, and no further Contributions for the purchase of shares will be made for such Offering Period. If a Participant withdraws from an Offering Period, Contributions will not resume at the beginning of the succeeding Offering Period, unless the Participant re-enrolls in the Plan in accordance with the provisions of Section 6 hereof.

(b) A Participant's withdrawal from an Offering Period will not have any effect on his or her eligibility to participate in any similar plan that may hereafter be adopted by the Company or in succeeding Offering Periods that commence after the termination of the Purchase Period from which the Participant withdraws.

12. Termination and Transfer of Employment. (a) Upon a Participant's ceasing to be an Eligible Employee, for any reason (including by reason of the Participant's Employer ceasing to be a Designated Company or by reason of Participant's transfer of employment to an Affiliate that is not a Designated Company), he or she will be deemed to have elected to withdraw from the Plan and the Contributions credited to such Participant's account during the Offering Period but not yet used to purchase shares of Common Stock under the Plan will be returned to such Participant or, in the case of his or her death, to the person or persons entitled thereto under Section 15 hereof, and such Participant's option will be automatically terminated.

(b) Unless otherwise provided by the Administrator, a Participant whose employment transfers between entities through a termination with an immediate rehire (with no break in service) by the Company or a Designated Company will not be treated as terminated under the Plan; provided, however, that if a Participant transfers from an Offering under the 423 Component to the Non-423 Component, the exercise of the option will be qualified under the 423 Component only to the extent it complies with Section 423 of the Code, unless otherwise provided by the Administrator. If a Participant transfers from an Offering under the Non-423 Component to an Offering under the 423 Component, the exercise of the option will remain non-

qualified under the Non-423 Component. The Administrator may establish additional or different rules governing employment transfers.

13. Interest. No interest will accrue on the Contributions of a participant in the Plan, except as may be required by Applicable Laws, as determined by the Company, and if so required by the laws of a particular jurisdiction, will apply to all Participants in the relevant Offering under the 423 Component.

14. Administration. (a) The Plan will be administered by the Board or a Committee appointed by the Board, which Committee will be constituted to comply with Applicable Laws. Nothing in such appointment shall preclude the Board from itself taking any administrative action set forth herein, except where such action is required by Applicable Laws to be taken by a Committee. The Administrator will have full and exclusive discretionary authority to construe, interpret and apply the terms of the Plan, to delegate administrative duties to any of the Company's employees, to designate separate Offerings under the Plan, to designate Affiliates as participating in the 423 Component or Non-423 Component, to determine eligibility, to adjudicate all disputed claims filed under the Plan and to establish such procedures that it deems necessary for the administration of the Plan (including, without limitation, to adopt such rules, procedures, sub-plans and appendices to the subscription agreement as are necessary or appropriate to permit the participation in the Plan by employees who are foreign nationals or employed outside the U.S., the terms of which rules, procedures, sub-plans and appendices may take precedence over other provisions of this Plan, with the exception of Section 3(a) hereof, but unless otherwise superseded by the terms of such rules, procedures, sub-plans and appendices, the provisions of this Plan will govern the operation of such rules, procedures, sub-plans or appendices). Unless otherwise determined by the Administrator, the Eligible Employees eligible to participate in each sub-plan will participate in a separate Offering or in the Non-423 Component. Without limiting the generality of the foregoing, the Administrator is specifically authorized to adopt rules and procedures regarding eligibility to participate, the definition of Compensation, handling of Contributions, making of Contributions to the Plan (including, without limitation, in forms other than payroll deductions and, further, including making any adjustments to correctly reflect a Participant's elected percentage of payroll deductions or other payments), establishment of bank or trust accounts to hold Contributions, payment of interest, conversion of local currency, obligations to pay payroll tax, determination of beneficiary designation requirements, withholding procedures and handling of stock certificates that vary with applicable local requirements. The Administrator also is authorized to determine that, with respect to the 423 Component, to the extent permitted by Section 1.423-2(f) of the Treasury Regulations, the terms of an option granted under the Plan or an Offering to citizens or residents of a non-U.S. jurisdiction will be less favorable than the terms of options granted under the Plan or the same Offering to employees resident solely in the U.S. Every finding, decision, and determination made by the Administrator will, to the full extent permitted by law, be final and binding upon all parties.

(b) The Administrator may delegate, on such terms and conditions as it determines in its sole and plenary discretion, to (i) the Chief Executive Officer of the Company

who also serves as a member of the Board or (ii) one or more senior officers of the Company, in each case, any or all of its authority under the Plan and all necessary and appropriate decisions and determinations with respect thereto.

15. Designation of Beneficiary. (a) If permitted by the Administrator and subject to Applicable Laws, a Participant may file a designation of a beneficiary who is to receive any shares of Common Stock and cash, if any, from the Participant's account under the Plan in the event of such Participant's death subsequent to an Purchase Date on which the option is exercised but prior to delivery to such Participant of such shares and cash. In addition, if permitted by the Administrator, a Participant may file a designation of a beneficiary who is to receive any cash from the Participant's account under the Plan in the event of such Participant's death prior to exercise of the option. If a Participant is married and the designated beneficiary is not the spouse, spousal consent will be required for such designation to be effective.

(b) Such designation of beneficiary may be changed by the Participant at any time by notice in a form determined by the Administrator. In the event of the death of a Participant and in the absence of a beneficiary validly designated under the Plan who is living at the time of such Participant's death, the Company will deliver such shares and/or cash to the executor or administrator of the estate of the Participant, or if no such executor or administrator has been appointed (to the knowledge of the Company), the Company, in its discretion, may deliver such shares and/or cash to the spouse or to any one or more dependents or relatives of the Participant, or if no spouse, dependent or relative is known to the Company, then to such other person as the Company may designate.

(c) All beneficiary designations will be in such form and manner as the Administrator may designate from time to time. Notwithstanding Sections 15(a) and (b) hereof, the Company and/or the Administrator may decide not to permit such designations by Participants in non-U.S. jurisdictions to the extent permitted by Section 1.423-2(f) of the Treasury Regulations.

16. Transferability. Neither Contributions credited to a Participant's account nor any rights with regard to the exercise of an option or to receive shares of Common Stock under the Plan may be assigned, transferred, pledged or otherwise disposed of in any way (other than by will, the laws of descent and distribution or as provided in Section 15 hereof) by the Participant. Any such attempt at assignment, transfer, pledge or other disposition will be without effect, except that the Company may treat such act as an election to withdraw funds from an Offering Period in accordance with Section 11 hereof.

17. Use of Funds. The Company may use all Contributions received or held by it under the Plan for any corporate purpose, and the Company will not be obligated to segregate such Contributions except under Offerings or for Participants in the Non-423 Component for which Applicable Laws require that Contributions to the Plan by Participants be segregated from the Company's general corporate funds and/or deposited with an independent third party. Until shares of Common Stock are issued, Participants will have only the rights of an unsecured creditor with respect to such shares.

18. Reports. Individual accounts will be maintained for each Participant in the Plan. Statements of account will be given to participating Eligible Employees at least annually, which statements will set forth the amounts of Contributions, the Purchase Price, the number of shares of Common Stock purchased and the remaining cash balance, if any.

19. Adjustments, Dissolution, Liquidation, or Change of Control. (a) Adjustments. In the event of any extraordinary dividend or other extraordinary distribution (whether in the form of cash, Common Stock, other securities, or other property), recapitalization, stock split, reverse stock split, reorganization, merger, consolidation, split-up, spin-off, combination, repurchase, exchange of Common Stock or other securities of the Company or other change in the corporate structure of the Company affecting the Common Stock, the Administrator, in order to prevent dilution or enlargement of the benefits or potential benefits intended to be made available under the Plan, shall, in such manner as it shall deem equitable, adjust the number and class of Common Stock that may be delivered under the Plan, the Purchase Price per share and the number of shares of Common Stock covered by each option under the Plan that has not yet been exercised, and the numerical limits of Section 3 hereof and established pursuant to Sections 5(b) and 8 hereof.

(b) Dissolution or Liquidation. In the event a proposed dissolution or liquidation, Change of Control or other similar transaction of the Company receives all requisite approvals under Applicable Laws, any Offering Period then in progress will be shortened by setting a New Purchase Date, and will terminate immediately prior to the consummation of such proposed dissolution or liquidation, Change of Control or other similar transaction, as applicable, unless provided otherwise by the Administrator. The New Purchase Date will be before the date of the Company's proposed dissolution or liquidation, Change of Control or other similar transaction, as applicable. The Administrator will notify each Participant in writing or electronically, prior to the New Purchase Date, that the Purchase Date for the Participant's option has been changed to the New Purchase Date and that the Participant's option will be exercised automatically on the New Purchase Date, unless prior to such date the Participant has withdrawn from the Offering Period as provided in Section 11 hereof.

20. Amendment or Termination. The Administrator, in its sole discretion, may amend, suspend, or terminate the Plan, or any part thereof, at any time and for any reason. If the Plan is terminated, the Administrator, in its discretion, may elect to terminate all outstanding Offering Periods either immediately or upon completion of the purchase of shares of Common Stock on the next Purchase Date (which may be sooner than originally scheduled, if determined by the Administrator in its discretion), or may elect to permit Offering Periods to expire in accordance with their terms (and subject to any adjustment pursuant to Section 19 hereof). If the Offering Periods are terminated prior to expiration, all amounts then credited to Participants' accounts that have not been used to purchase shares of Common Stock will be returned to the Participants (without interest thereon, except as otherwise required under Applicable Laws, as further set forth in Section 13 hereof) as soon as administratively practicable.

(b) Without stockholder consent and without limiting Section 14(a) or Section 20(a) hereof, the Administrator will be entitled to change the Offering Periods or Purchase Periods, designate separate Offerings, limit the frequency and/or number of changes in the amount withheld during an Offering Period, establish the exchange ratio applicable to amounts withheld in a currency other than U.S. dollars, permit Contributions in excess of the amount designated by a Participant in order to adjust for delays or mistakes in the Company's processing of properly completed Contribution elections, establish reasonable waiting and adjustment periods and/or accounting and crediting procedures to ensure that amounts applied toward the purchase of Common Stock for each Participant properly correspond with Contribution amounts, and establish such other limitations or procedures as the Administrator determines in its sole discretion advisable that are consistent with the Plan.

(c) In the event the Administrator determines that the ongoing operation of the Plan may result in unfavorable financial accounting consequences, the Administrator may, in its discretion and, to the extent necessary or desirable, modify, amend or terminate the Plan to reduce or eliminate such accounting consequence including, but not limited to:

(i) amending the Plan to conform with the safe harbor definition under the Financial Accounting Standards Board Accounting Standards Codification Topic 718 (or any successor thereto), including with respect to an Offering Period underway at the time;

(ii) altering the Purchase Price for any Offering Period or Purchase Period, including an Offering Period or Purchase Period underway at the time of the change in Purchase Price;

(iii) shortening any Offering Period or Purchase Period by setting a New Purchase Date, including an Offering Period or Purchase Period underway at the time of the Administrator action;

(iv) reducing the maximum percentage of Compensation a Participant may elect to set aside as Contributions; and

(v) reducing the maximum number of shares of Common Stock a Participant may purchase during any Offering Period or Purchase Period.

Such modifications or amendments will not require stockholder approval or the consent of any Participants.

21. Notices. All notices or other communications by a Participant to the Company under or in connection with the Plan will be deemed to have been duly given when received in the form and manner specified by the Company at the location, or by the person, designated by the Company for the receipt thereof.

22. Conditions Upon Issuance of Shares. (a) Shares of Common Stock will not be issued with respect to an option unless the exercise of such option and the issuance and delivery

of such shares pursuant thereto will comply with all Applicable Law, and will be further subject to the approval of counsel for the Company with respect to such compliance.

(b) As a condition to the exercise of an option, the Company may require the person exercising such option to represent and warrant at the time of any such exercise that the shares are being purchased only for investment and without any present intention to sell or distribute such shares if, in the opinion of counsel for the Company, such a representation is required by any of the aforementioned applicable provisions of law.

23. Section 409A. Options granted under the 423 Component of the Plan are exempt from the application of Section 409A and any ambiguities herein will be interpreted to so be exempt from Section 409A. Options granted under the Non-423 Component to U.S. taxpayers are intended to be exempt from the application of Section 409A under the short-term deferral exception or compliant with Section 409A and any ambiguities will be construed and interpreted in accordance with such intent. In furtherance of the foregoing and notwithstanding any provision in the Plan to the contrary, if the Administrator determines that an option granted under the Plan may be subject to Section 409A or that any provision in the Plan would cause an option under the Plan to be subject to Section 409A, the Administrator may amend the terms of the Plan and/or of an outstanding option granted under the Plan, or take such other action the Administrator determines is necessary or appropriate, in each case, without the Participant's consent, to exempt any outstanding option or future option that may be granted under the Plan from or to allow any such options to comply with Section 409A, but only to the extent any such amendments or action by the Administrator would not violate Section 409A. Notwithstanding the foregoing, a Participant will be solely responsible and liable for the satisfaction of all taxes and penalties that may be imposed on such Participant or for such Participant's account in connection with option to purchase Common Stock under the Plan (including any taxes and penalties under Section 409A), and neither the Company nor any of its Affiliates will have any obligation to indemnify or otherwise hold such Participant harmless from any or all such taxes or penalties. The Company makes no representation that the option to purchase Common Stock under the Plan is compliant with Section 409A.

24. Term of Plan. The Plan will become effective upon the later to occur of (a) its adoption by the Board and (b) immediately prior to the effective date of the registration statement on Form S-1 filed with the U.S. Securities and Exchange Commission for the initial public offering of Common Stock (such later date, the "Effective Date"). It will continue in effect for a term of 20 years, unless terminated earlier under Section 20 hereof.

25. Stockholder Approval. The Plan will be subject to approval by the stockholders of the Company within 12 months after the date the Plan is adopted by the Board. Such stockholder approval will be obtained in the manner and to the degree required under Applicable Laws. For the avoidance of doubt, failure to obtain a stockholder approval required by any non-U.S. jurisdiction will not impair the validity of the Plan in any other jurisdiction.

26. Governing Law. The validity, construction and effect of the Plan and any rules and regulations relating to the Plan shall be determined in accordance with the laws of the State of Delaware, without giving effect to the conflict of laws provisions thereof.

27. Severability. If any provision of the Plan is or becomes or is deemed to be invalid, illegal or unenforceable in any jurisdiction or as to any Person, or would disqualify the Plan under any law deemed applicable by the Administrator, such provision shall be construed or deemed amended to conform to the Applicable Laws, or if it cannot be construed or deemed amended without, in the determination of the Administrator, materially altering the intent of the Plan, such provision shall be construed or deemed stricken as to such jurisdiction or Person and the remainder of the Plan shall remain in full force and effect.

28. No Right to Continued Employment. Participation in the Plan by a Participant will not be construed as giving a Participant the right to be retained as an employee of the Company or an Affiliate, as applicable. Further, the Company or an Affiliate may dismiss a Participant from employment at any time, free from any liability or any claim under the Plan, unless otherwise required pursuant to Applicable Laws.

29. Compliance with Applicable Laws. The terms of this Plan are intended to comply with all Applicable Laws and will be construed accordingly.

30. Headings and Construction. Headings are given to the Sections and subsections of the Plan solely as a convenience to facilitate reference. Such headings shall not be deemed in any way material or relevant to the construction or interpretation of the Plan or any provision thereof. Whenever the words “include”, “includes” or “including” are used in the Plan, they shall be deemed to be followed by the words “but not limited to”, and the word “or” shall not be deemed to be exclusive. Pronouns and other words of gender shall be read as gender-neutral. Words importing the plural shall include the singular and the singular shall include the plural. For the avoidance of doubt, where a term of the Plan is required by Section 423 of the Code, such term need not apply to the Non-423 Component of the Plan as determined in the sole discretion of the Administrator.
